I'm gonna have a little talk with Jesus
When I get home tonight
I'm gonna tell Him all about my troubles
And I know He'll make them right

Then I'll ask Him to forgive me
For the things that I've done wrong
I'm gonna have a little talk with Jesus
Tonight when I get home

This world can be a struggle
Just livin' day to day
And you'll run into the devil
With every step you take

I've seen his face a hundred times
As he tried to lead me wrong
But he don't understand
That I don't walk this road alone

I'm gonna have a little talk with Jesus
When I get home tonight
I'm gonna tell Him all about my troubles
And I know He'll make them right

Then I'll ask Him to forgive me
For the things that I've done wrong
I'm gonna have a little talk with Jesus
Tonight when I get home

Lord said, I could call on Him
Whenever I feel low
Any time or place I needed Him
He would gladly go

And my life has not been perfect
No matter how I try
But He's never turned His back on me
And that's the reason why

I'm gonna have a little talk with Jesus
When I get home tonight

I'm gonna tell Him all about my troubles
And I know He'll make them right

Then I'll ask Him to forgive me
For the things that I've done wrong
I'm gonna have a little talk with Jesus
Tonight when I get home

I'm gonna have a little talk with Jesus
When I get home tonight
I'm gonna tell Him all about my troubles
And I know He'll make them right

Then I'll ask Him to forgive me
For the things that I've done wrong
I'm gonna have a little talk with Jesus
Tonight when I get home

I'm gonna have a little talk with Jesus
Tonight when I get home
