(feat. Take 6)

I'm gonna have a little talk with Jesus
When I get home tonight
Gonna tell him all about my troubles
And I know he'll make them right
Then I'll ask him to forgive me
For the things that I've done wrong
Gonna have a little talk with Jesus
Tonight when I get home

This world can be a struggle
Just livin' day to day
You'll run into the devil
With every step you take
I seen his face a hundred times
As he tried to lead me wrong
He don't understand
That I don't walk this road alone

I'm gonna have a little talk with Jesus
When I get home tonight
Gonna tell him all about my troubles
And I know he'll make them right
Then I'll ask him to forgive me
For the things that I've done wrong
Gonna have a little talk with Jesus
Tonight when I get home

Lord said I could call on him
When ever I feel low
Any time or place I needed him
He would gladly go
My life has not been perfect
No matter how I try
But he's never turned his back on me
And that's the reason why

I'm gonna have a little talk with Jesus
When I get home tonight
Gonna tell him all about my troubles

And I know he'll make them right
Then I'll ask him to forgive me
For the things that I've done wrong
Gonna have a little talk with Jesus
Tonight when I get home

I'm gonna have a little talk with Jesus
When I get home tonight
Gonna tell him all about my troubles
And I know he'll make them right
Then I'll ask him to forgive me
For the things that I've done wrong
Gonna have a little talk with Jesus
Tonight when I get home

I'm Gonna have a little talk with Jesus
Tonight when I get home
