Being without you has turned out to be so inconvenient  
And wishing I was with you just seems to use up all my  
time  
You've been gone so long that it's hard to recall just  
how the dream went  
And all but this broken heart and me I guess is doin'  
fine

Is it still over, are we still through?  
Since my phone still ain't ringing, I assume it still ain't  
you  
I'll have to mind to take the time to find somebody new  
But I'm not too sure that I'm still over you

That lie that I tried to slip by you was told with good  
intentions  
It was just another way to say I love you and protect you  
from the truth  
And half a pound of cure is surely worth a half an  
ounce of good prevention  
And trying to explain while I'm insane is the hardest  
thing  
I've ever tried to do

Is it still over, are we still through?  
Since my phone still ain't ringing, I assume it still ain't  
you  
But I'll have to mind to take the time to find somebody  
new  
But I'm not too sure that I'm still over you

Is it still over, are we still through?  
Since my phone still ain't ringing, I assume it still ain't  
you  
But I'll have to mind to take the time to find somebody  
new  
But I'm not too sure that I'm still over you

If I repeat myself it's 'cause I've nothing else to do  
And I'm not too sure that I'm still over you  
I'm not too sure that I'm still over you
