Chorus:

Keep your lure in the water,
Don't just sit by the shore
There are souls to be caught
Everywhere in this old world
Go where hearts are plenty,
Don't just drift with the tide
Keep your lure in the water,
In the waters of life
The lord said, "Simon, haul your nets in
From now on you're a fisher of men"
Well, I like fishin',
That's why it caught my ear
The Lord knew how to get to me
And what I'd need to hear

Chorus:

Keep your lure in the water,
Don't just sit by the shore
There are souls to be caught
Everywhere in this old world
Go where hearts are plenty,
Don't just drift with the tide
Keep your lure in the water,
In the waters of life

--- Instrumental ---

Well the sea is troubled
And it's hard to stay afloat
And you feel like Jesus
Is sleeping in the boat
Don't you dare give up
On the Prince of Peace
And in the middle of the storm
You will find a sweet release

Chorus:

Keep your lure in the water,
Don't just sit by the shore
There are souls to be caught
Everywhere in this old world
Go where hearts are plenty,
Don't just drift with the tide
Keep your lure in the water,
In the waters of life

Chorus:

Yeah, Keep your lure in the water,
Don't just sit by the shore
There are souls to be caught
Everywhere in this old world
Go where hearts are plenty,
Don't just drift with the tide
Keep your lure in the water,
In the waters of life
Yeah, keep your lure in the water,
In the waters of life...
