(Writers: Skip Ewing, Tim Mensy)  
Album: Prince of Egypt (Nashville)

(Randy)

Well, the sun beats down and the sand gets hot  
Where I break my back hauling endless rock  
For a man made God I really don't believe in.  
I shoulder the rope and I bear the strain  
Wipe the salt from my eyes and ignore the pain  
Though I know when I fall another whip is coming.

When I feel my body going down  
And there's nothing I can do  
I know if I keep my faith in you  
I'm gonna make it through.

(Linda)

I'm a prisoner here in this hall of kings  
I'm gold, I'm jewels, I'm a diamond ring  
To be given as a token of God's affection.  
The law says I'm their property  
But my heart and my soul belong to me  
They can hold me but I'll never be in their possession.

When I feel my body going down  
And there's nothing I can do  
I know if I keep my faith in you  
I'm gonna make it through.

--- Instrumental ---

(Both)

Through the doubt  
Give me strength to lead them out  
Give them faith to follow me  
Guide us through the sea

(Randy)

So help me God I'm a common man  
With the lives of thousands in my hands  
As I carry them into the land you promised.

(Both)

And when I feel my body going down  
And there's nothing I can do  
I know if I keep my faith in you  
I'm gonna make it through.

I know if I keep my faith in you  
We're gonna make it through...
