"My Greatest Fear"

Sometimes many miles
May lay between us
But only for the job
I choose to do

And what part helps me
Through my darkest hours
Each mile brings me
Closer to you

Please believe you're all
I ever wanted
If you should leave
I don't know what I'd do

I'd be like a child
Afraid of darkness
The greatest fear I have
Is losing you

Heaven knows I've always
Had these demons
Watching for a place
To take control

Whispering you'll never
Be there for me
Waiting at the end
Of my road

Please believe you're all
I ever wanted
If you should leave
I don't know what I'd do

Alone I wander through this world
No meaning in my life
Then I found you
And finally saw the light

Please believe you're all
I ever wanted

If you should leave
I don't know what I'd do
