Well i've heard those city singers
Singin about how can love
Deeper than the oceans
Higher than the stars above
Well I come from the country
And I know I aint seen it all
But i heard that ocean salty
And the stars they sometimes fall
And that would not do justice
To the way i feel for you

So I had to sing a song
about all the things i knew
My love is deeper than the holler
Stronger than the river
Higher than the pine trees
Growin tall upon the hill
My love is purer than the snowflakes
That fall in late december
And honest as a robin
On a spring time window sill
And longer than the song of a whipperwill

From the backroads to the broadway shows
With a million miles between us
Theres atleast a million lovesongs
That people love to sing
And Everyones the same
And this is just another way of sayin the same thing

My love is deeper than the holler
Stronger than the river
Higher than the pine trees
Growin tall upon the hill
My love is purer than the snowflakes
That fall in late december
And honest as a robin
On a spring time window sill
And longer than the song of a whipperwill

My love is deeper than the holler

Stronger than the river
Higher than the pine trees
Growin tall upon the hill
My love is purer than the snowflakes
That fall in late december
And honest as a robin
On a spring time window sill
And longer than the song of a whipperwill
A Whipperwill
