[Chorus:]

There's no stoppin' us now
We've gone all the way
There's no slowin' down
This love fits us so right
There's no holdin' back
And there's no end in sight.

You and I have found
What few will ever find
And we started so young
Even time's on our side.

[Chorus:]

There's no stoppin' us now
We've gone all the way
There's no slowin' down
This love fits us so right
There's no holdin' back
And there's no end in sight.

[Instrumental]

It's hard to believe
That I really got by without you
So now every hour seems empty
When I'm not beside you.

[Chorus:]

There's no stoppin' us now
We've gone all the way
There's no slowin' down
This love fits us so right
There's no holdin' back
And there's no end in sight.

There's no holdin' back
And there's no end in sight...

[Instrumental to fade]
