Album: Come Together: America Salutes the Beatles

He's a real nowhere man
Sitting in his nowhere land
Making all his nowhere plans, for nobody.
Doesn't have a point of view
Knows not where he's going to
Isn't he a bit like you and me?
Nowhere man please listen
You don't know what you're missing
Nowhere man, the world is at your command.
He's as blind as he can be
Just sees what he wants to see
Nowhere man, can you see me at all?
--- Instrumental ---
Nowhere man, don't worry
Take your time, don't hurry
Leave it all till somebody else
Lends you a hand
Ah, la, la, la, la
He's a real nowhere man
Sitting in his nowhere land
Making all his nowhere plans, for nobody.
Making all his nowhere plans, for nobody...
--- Instrumental to fade ---
