The night before Christmas
Alone in the dark
Not a creature is stirring
Except for my heart
This old house without you
Just don't feel right.
Oh, what a silent night.
Then in the twinklin'
Of my eye
A teardrop comes fallin'
As I realize
I'm all alone
And you're by his side.
Oh, what a silent night.
Your stockin' are hangin'
Across our old bed
As visions of yesterdays
dance in my head
The fire burns hotter
But I'm cold as ice.
Oh, what a silent night.
Then in the twinklin'
Of my eye
A teardrop comes fallin'
As I realize
I'm all alone
And you're by his side.
Oh, what a silent night.
Oh, what a silent night...
