"Paniolo Country"

Places I have been,
cities I have seen,
with concrete caverns rising from the ground.
Miles and miles of asphalt trail,
stretch across a land,
stampeding metal ponies leaving smoke along the
way...

I'm going back to paniolo county,
stars at night
no city lights.
Paniolo country, my home on the range.

I made up my mind, won't waste any time

I'm going back to where the clouds ride high.
take my word its pretty, not like the great big city
the winds still bring cool clear mountian air.

I'm going back to paniolo country
rain drops fall, the grass grows tall
paniolo county, my home on the range.
