A working day to long when everything goes wrong
And a boss who don't know I'm alive
I once had a notion I'd get that promotion,
but now I barley survive
A wife to demanding with no understanding
Of why I stay dead on my feet

A dimly lit tavern a willing young woman
Are some of the reasons I cheat
The hair that I'm losing and a women who's choosing
To lay sound asleep by my side
The bills they are mounting thats when I start counting
On someone to help sooth my pride
A lady that knows me affection she shows me and a
smile so easy and sweet

The dreams that I've buried the load that I've carried
Are some of the reasons I cheat
My children keep on growing me age keeps on showing
Like all of my old friends I meet
So I'm getting older my life's growing colder
Just some of the reasons I cheat
Yes I'm getting older my life's growing colder
Just some of the reasons I cheat
