Train Long Gone

(Gone!) Well, I hate how that word  
Rattles all around in this room  
(Alone,) with a memory so strong  
I could sweep it up with a broom.  
(Tears,) if I she'd anymore I'm afraid  
They might wear out my face  
(Clear,) Yes, It's clear to me now  
That her love can never be replaced.  
Love may be gone but never forgotten  
The memory won't leave you alone  
And the train may be long gone from the station  
But you still hear the whistle moan.  
Still hear the whistle moan.

--- Instrumental ---

(Time,) time got so slow and thick  
That the clock hardly ticks anymore  
(Crime,) it's a crime how I sit here  
And stare like a dog at the door.  
(Blame,) Aw yes, I'll take the blame  
I admit I did not treat her right  
(Shame,) It's a shame laying here  
All alone on this cold, windy night.  
Love may be gone but never forgotten  
The memory won't leave you alone  
And the train may be long gone from the station  
But you still hear the whistle moan.  
Still hear the whistle moan.  
Ohh, Ohh, Ohh, Ohh, Ohh, Ohh  
Train gone, long gone train.  
Ohh, Ohh, Ohh  
Train gone, long gone train.  
Ohh, Ohh, Ohh, Ohh, Ohh  
Train gone, long gone train.  
Ohh, Ohh, Ohh, Ohh, Ohh  
Ohh, Ohh, Ohh, Ohh.  
Love may be gone but never forgotten  
The memory won't leave you alone  
And the train may be long gone from the station  
But you can still hear the whistle moan.  
Still hear the whistle moan.

Ohh, Ohh, Ohh, Ohh, Ohh, Ohh  
Train gone, long gone train.  
Ohh, Ohh, Ohh, Ohh  
Train, long gone train.  
Ohh, Ohh, Ohh, Ohh  
Train, long gone train.  
Ohh, Ohh, Ohh  
Train gone, long gone train.  
Ohh, Ohh, Ohh, Ohh  
Train, long gone train.  
Ohh, Ohh, Ohh, Ohh  
Long gone train.  
Ohh, Ohh, Ohh  
Train, long gone train.  
Ohh, Ohh, Ohh, Ohh  
Train, long gone train...
