All you wanted was a one-night stand
The fire of the wine and the touch of a man
But I fell in love and ruined all your plans
Now what'll you do about me

Imagine the faces on your high-class friends
When I beat on the door and I beg to come in
Screamin', "Come on love me again"
Now what'll you do about me

Well, you can change your number, you can change
your name
You can ride like hell on a midnight train
That's alright mama, that's okay
But what'll you do about me

Picture your neighbors when you try to explain
That good ol' boy standin' out in the rain
With his nose on the window pane
Now what'll you do about me

What in the world are you plannin' to do
When a man comes over just to visit with you
And I'm on the porch with a two by two
Lady, what'll you do about me

Well you can call your lawyer, you can call the fuzz
You can sound the alarm, wake the neighbors up
Ain't no way to stop a man in love
Now what'll you do about me

All you wanted was a one-night stand
The fire of the wine and the touch of a man
But I fell in love and baby here I am
Now what'll you do about me

Well you can change your number, you can change
your name
You can ride like hell on a midnight train
That's alright mama, that's okay
Now what'll you do about me
Now what'll you do about me, what'll you do about me
