I will worship with all of my heart
And I will praise you with all of my strength
And I will seek you all of my days
And I will follow, follow all of your ways.
I will give you all my worship
I will give you all my praise
You alone I long to worship
You alone are worthy of my praise
I will bow down, and hail you as King
And I will serve you, I'll give you everything
And I will lift up my eyes to your throne
And I will trust you, I will trust you alone.
I will give you all my worship
I will give you all my praise
You alone I long to worship
You alone are worthy of my praise.

I will bow down and hail you as King
And I will serve you, I'll give you everything
And I will lift up my eyes to your throne
And I will trust you, I will trust you alone.
I will give you all my worship
I will give you all my praise
You alone I long to worship
You alone are worthy of my praise.
I will give you all my worship
I will give you all my praise
You alone I long to worship
You alone are worthy of my praise...
