[Intro: KRS-One]

Uhh! Yeahhh

I know you're diggin this type of shit right here

We about to spark it on the mic, yeahhh

Come on!

{*scratched 4X: "All we do is spark mad izm"*}

[KRS]

The episode starts when I walk down the block kid

Reach in my poc-ket, yo where's my knot, it

follows me into the spot, compellin

Go check the dread and yes he's herb sellin

A punani gate, I'm a potential felon

Izm is smellin, like I ain't even tellin

Channel one two, I'm smashin the law

Channel three, I make a run to the store

Channel four leave the store with the Phillie cause I...

spark the izm, I'm off to Channel Live

[Hakim]

Wake up in the mornin got the yearnin for herb

which loosens up the nouns, metaphors, and verbs

And adjectives, ain't it magic kid what I'm kickin

Multi-flavored bags of sess, for the pickin

So listen to the izm as it talks non-stop

Hawaiian when I'm rhymin but so is the chocolate thai

Now the high, starts to settle

Kickin fat lyrics that rocks, like heavy metal

[KRS]

I'm comin out de dance wif de spliff of sensei

When I speak, big up Mack, L.O., and Malik

Like John Lennon, yes I'm I-C-M'n

I start grinnin, and syllables start bendin

My style is untangible, like a wild animal

Check the label as it goes round it's on Capitol

That's what I'm smackin you with cause it's easy

Like Lionel Richie, your whole style is bitchy

Switch me, mix me, somebody get me

Don't let me rip out my clothes like Bill Bixby

Rippin the microphone 'til I'm motherfuckin sixty
Smokin the indo, by the window, it's sticky

[Tuffy]

Spark the izm, my expertism, is lyricism
My flow will take you over, like I was hypnotism
So where's the lighter, to decipher, the skills that I'm
bringin
hyper than a little kid on ginseng roots
and culture, my intellect will insult ya
Finish off your dead mind like a vulture
I gotta get mine, get a grip
Cause there's all these weak rappers steady makin
hits, FUCK THAT!
But ninety-four I bring the skills back
So listen now I'm doin what I want to do and sparkin
mad izm

{*scratched 8X: "All we do is spark mad izm"*}

[Tuffy]

I come with notions, deeper than the ocean
Check out my potion, mad rhythm in the motion
The izm, brings the wisdom, when I kick it on the
rhythm
Check it how I rock it in a cipher
Desire, takes you higher, lyrical messiah
(Yo yo yo yo-yo, pass that lighter)
Counterclockwise, I rise like the sun
Now feel the heat from the rays of the gun
Shootin out the mental mist
How you gonna know the real shit when your style's
counterfeit??

[KRS]

His shit is counterfeit cause he's motherfuckin phony
Come into the jam try to front like he know me
Hah! Listen to this new type of somethin
Bumpin, ninety-four ain't for no frontin
New type of lingo, catchy like a jingle
Rouge neck hip-hop is drippin from the single
Now, let me introduce you to the one
The Channel Live indo this loosens you up
Goin through the channels of the remote control
Flickin through the frequencies of your soul

[Hakim]

Then roll the izm, the inflater, I'm weeded
Like wearing a sweater, at the equator, I'm heated
But I flip a style like I flip a channel
Step up and test the skills, you can get my tes-ticules

Cause hip-hop's been running through my veins ever
since
So it wasn't hard for me to grab the mic and represent
Representing tormenting MC's craniums
Till they can't flow why cause I'm drainin em
Don't mean to be blunt but don't front
I'm doing it for the love so now I'm doin what I want
To do with my Channel Live crew so just listen
Dissin wack MC's and sparking up mad izm

{*scratched to fade: "All we do is spark mad izm"*}
