[VERSE 1]

Well she never sees it comin'
She never sees it goin'
She lacks a certain point of view
But something always pulls her through
What she tries

[VERSE 2]

It's a weapon deep inside
No mortal could have contrived
Suzi's found a weapon
And I don't even think she tried

Well you dress her up with passion
She wears you like a fashion
That changes with the style of clothes
But passion sticks inside your throat
Like a knife

You thought you'd found the perfect rose
You cut the stem but it still grows
Suzi's found a weapon
And I don't even think she knows

[CHORUS]

So if she catches your eye
God help you
You'll have to run and die
Not to love her

Suzi found a weapon
And I don't even think she knows

[BRIDGE]

[Repeat VERSE 1]

[Repeat VERSE 2]

[Repeat CHORUS]

Yeah Suzi found a weapon
And I don't even think she tried
Yeah Suzi found a weapon
And I don't even think she tried
Hmmm, Suzi found a weapon
And I don't even think she tried
