Go go go go go

Go go go go

Go go go go

Go go go go

Go go go go go go go go go go go go go

Fisrt off

It's The Rangers baby

See us some girls go crazy

Langston, Spotlight, Day Day, Corey

What else I gotta say

I go hard your girl steady jockin

Her friends they stay watchin

Put in work I just clocked in

Clocked out and you know I get it poppin

I'm gone lil' mama wassup

The sun go down and the freaks get up

And then it's on til' six in the mon'

Your girl like a light switch I turn her on

Yeah

And she love my swagg

Get it, get it, get it on the flo' she bad

I'm bad like Mike Jack

And you know it's Julian on the track

Rangers, we so fly

Break your necks every time we walk by

No jail, we got bars

Every body know that my crew go hard

Go go go go go go go go go go go (Go Hard)

Go go go go go go go go go go go (Go Hard)

Go go go go go go go go go go go (Go Hard)

Everybody know that my crew go hard

Yeah you know everythings on lock down

Nice yellow bown on my side with the top down

Red in her hair no top out

Pardon me if I came off fowl (oops)

When we be in the function these girls go wild

Lightning describes me best now

Julian on the beat leaves these critics like WOW

Rangers done did it now

I'm Young Corey
You like my fitts
All up on the flo' showin off my kicks
Vlados hangin off the window off the 6
So I ain't gotta tug I let them pull the chicks
I go hard in the paint watch this
I just pull up and hop out and take over shit

Take off they tops then they hop on my tip

Rangers, we so fly
Break your necks every time we walk by
No jail, we got bars
Every body know that my crew go hard
Go go go go go go go go go go go (Go Hard)
Go go go go go go go go go go go (Go Hard)
Go go go go go go go go go go go (Go Hard)
Everybody know that my crew go hard

Who puts the bang in the beat like me
Who runs the girls from head over seas
They let us in the do' and we run everythang
Ladies passin out feelin like the Young King
They be in my jeans I don't even rock bling
Cause I'm off the wall and my pindrop and my pindrop
raw
They like what flow and your boys still ball
I ain't Nate Dogg (what all girls call?)

I be in the pain goin hard throwin elbows
Langston's been a Ranger since Hamilton and Ello
They say we sold out
I say we got that belt though
Sold out stores, cash them checks bro
We drop it and they fall but they hearts finna let go
I be on the party bus, I used to ride the Metro hah
And who get it like me
Jerk low bars, pindrop king

Rangers, we so fly
Break your necks every time we walk by
No jail, we got bars
Every body know that my crew go hard
Go go go go go go go go go go go (Go Hard)
Go go go go go go go go go go go (Go Hard)
Go go go go go go go go go go go (Go Hard)
Everybody know that my crew go hard
