Yea nigga
It's young sam
And the rangers
Lets go

Cause I'm fresh
I'm feelin so fly
Even though it's hers
That pussy still mine
In a club no chain on
But a nigga sine

Wanna see me dougie
So I hit it one time
Wanna wanna see me dougie
Wanna wanna see me dougie
Wanna wanna see me dougie
So I hit it one time
Hit it one time
Hit it hit it one time
Wanna see me dougie
So I hit it one time

Umm king of jerk
Ok here I go
Blessed when I write
Every line is a miracle
Flow so spiritual
Even when I curse
I guess cause I got a lot of
Faith in my verse
I'm I'll
Poppin like pills
Jerkin aint dead but I promise I kill
Nah I'm playin I'm fo real
I only drop bangers
So it's only right that I had to bring the rangers

She wanna see me dougie
Cause there aint nothin like it
I never pay for pussy

Cause hers is so priceless
Look at all that ass
Shawty fine like a ticket on a dash
And you might think I'm lame
You a hater I digg it
But I don't really care cause
Your girl is all on my dizzick
Got her digits then I diss it
Jerkin aint dead
Stop talkin shit
Get off the rangers dick nigga

Cause I'm fresh
I'm feelin so fly
Even though it's hers
That pussy still mine
In a club no chain on
But a nigga sine

Wanna see me dougie
So I hit it one time
Wanna wanna see me dougie
Wanna wanna see me dougie
Wanna wanna see me dougie
So I hit it one time
Hit it one time
Hit it hit it one time
Wanna see me dougie
So I hit it one time

Aye
She say she love the way I dougie
You may have that but
That pussy mine
She wanna fuck me
Ha you never get to hit
And that's your girlfriend
Aint that about a bitch (damn)
Professional flow to the league
Without a scholarship
Now I'm headin to the top
So what's the problem kids
I'm feelin like a llama
Cause I always spit
And I'm stackin on my ships look
What it so
Commin through tatted young nigga
Swagge sick body hella smooth
Ratted up nigga
Equivalent to fly
Even when I land I'm high

Stuttin bullets to ricochet
Yea I'm that high
Jerkin can't die
And I dougie till I'm fresh
Yes I glide over niggas
S on my chest
Me and my nigga sam try to stay humble
It's kinda hard when you sound like sun though

Cause I'm fresh
I'm feelin so fly
Even though it's hers
That pussy still mine
In a club no chain on
But a nigga sine

Wanna see me dougie
So I hit it one time
Wanna wanna see me dougie
Wanna wanna see me dougie
Wanna wanna see me dougie
So I hit it one time
Hit it one time
Hit it hit it one time
Wanna see me dougie
So I hit it one time

Cause I'm fresh
I'm feelin so fly
Even though it's hers
That pussy still mine
In a club no chain on
But a nigga sine

Wanna see me dougie
So I hit it one time
Wanna wanna see me dougie
Wanna wanna see me dougie
Wanna wanna see me dougie
So I hit it one time
Hit it one time
Hit it hit it one time
Wanna see me dougie
So I hit it one time

Posted up
Schemin on niggas
You know when I battle
Aye bro I'll leave her shifted
And kiss ya girl and walk away
With her digits (I would)

She wanna lick this
She admit it
But right now I got her workin shit (I do)
Just sit back and let me do
What god blessed me with
I aint gotta say names
But you know who I came
With young sam and the rangers

Cause I'm fresh
I'm feelin so fly
Even though it's hers
That pussy still mine
In a club no chain on
But a nigga sine

Wanna see me dougie
So I hit it one time
Wanna wanna see me dougie
Wanna wanna see me dougie
Wanna wanna see me dougie
So I hit it one time
Hit it one time
Hit it hit it one time
Wanna see me dougie
So I hit it one time

Yeah it's the rangers
And young sam
But you already know
Take over tha takeover
