Yeah, why you askin'?
My whole crew said they got 'em lookin' like wahhh
If you wanna get it poppin' we can show you how
Get it let's go
Get it let's go
Get it let's go
Get it
Now where my girls at?

Do a pin drop
Do a pin drop
Drop and do a pin drop

Go, go, go,
Go, go, go

Let me see your head bang

My pin drop clean when I drop a 12-inch
All up in the club with a swagger so sick
You can ask them PRangers what I say
Julian, Spotlight, Lang, Corey, DayDay
Show out to the bros
You Know I need those
And I'm more fitted then a closet full of clothes
You better get ready if ya tough man up
