[Spotlight:]  
She say she wants the fame, status  
Money and the cars  
Baby say she want a superstar  
So I'm thinkin that she likes me  
She likes me, she likes me, yeah  
She say she wanna win, don't know where to begin  
Shawty's been braggin to her friends  
About how much that she likes me  
She likes me, she likes me, yeah

[Julian:]  
Alright girl, I see her checkin out my Nike's  
I'm knowin that she like me  
She love it, Like Mike it  
Call her a light switch, yeah I turn her on  
She hate it when I'm gone, I tell her kiss me thru the  
phone  
She brag to all the girls that's around now  
All her friends want some because she said I put it  
down  
Shawty like my swagg, shirt off, oh yeah  
I like the way her hair look right  
Before she leave my bed that's when I said

[Spotlight:]  
Oh, ohh, oh  
The way she drop it down to the floor  
She got me sayin oh, ohh, oh  
Cause I'ma give her what she been waitin for

[Spotlight:]  
She say she wants the fame, status  
Money and the cars  
Baby say she want a superstar  
So I'm thinkin that she likes me

She likes me, she likes me, yeah  
She say she wanna win, don't know where to begin  
Shawty's been braggin to her friends  
About how much that she likes me  
She likes me, she likes me, yeah

[Yong 3rd:]

I see your man ain't treatin you right  
You could use some confidence  
Your shoe game ain't tight  
You could use some sponserin  
I can have you walkin in Jimmy Choo shoes  
D&G bags, Burberry perfume  
I hate to make you answer to us but I assume  
That you never been driven in a car that go zoom  
Speakers be blarin, beats like boom  
G4's to Paris, 5 star rooms

[Spotlight:]

Oh, ohh, oh  
The way she drop it down to the floor  
She got me sayin oh, ohh, oh  
Cause I'ma give her what she been waitin for

[Spotlight:Chorus]

She say she wants the fame, status  
Money and the cars  
Baby say she want a superstar  
So I'm thinkin that she likes me  
She likes me, she likes me, yeah  
She say she wanna win, don't know where to begin  
Shawty's been braggin to her friends  
About how much that she likes me  
She likes me, she likes me, yeah

[Julian:]

Baby bring it back, now shawty just snap  
Now shawty just snap, now shawty just snap

Now shawty just snap, now shawty just snap  
A body like that deserve a hand clap  
Deserve a hand clap, deserve a hand clap

She likes me, she likes me, yeah

She say she wanna win, don't know where to begin  
Shawty's been braggin to her friends  
About how much that she likes me
