If niggas wanna claim that they the best the nigga
clean it
While I remain nameless IÂ'll prove that the game
entertainign
I still remain dangerous, the pain is just playin hanes
The shame is that I came with some entertainers just
famous,
I send the flame at your ainess, thinking youÂ're hot
shit,
Because they big in the streets, this niggas ainÂ't got
shit
Â'cause confrontation would be for you niggas who got
lipped
No conversation, donÂ't speak to me nigga, youÂ're
not slicked,
Been waiting the Dacay for this rap to get run pay,
Now I spit what intends range, with the power of ten
slaves,
Scholar my friendÂ's range, smelling my daughterÂ's
birth
ThatÂ's life and death for you, just taking for all itÂ's
worth,
IÂ'm more the curves, I canÂ't that missing,
Was bad time in the same waters, then say and pissed
in
Now was made with some thick skin, so IÂ'm hated
the... skin,
Well with low class artist but they know who raps
hardest
ThereÂ's not a list alive, they... a nigga like me
And IÂ'm the greatest to be the greater
They say that I will never make it, this verse it would be
dedicated
To the critics and doubters,
Industry shit talkers, groupie bitches and cowards,
ThereÂ's movie script is the fellas,
IÂ'm dancing through flames, and is pretty as straight
Now is funny is two chains,
But throughout my whole career, IÂ've been giving you
true pain,
Two names, caught me greatest alive,

Iâ€™m that serious I said it and looked you straight in the eyes

Iâ€™m just tryin to prove the point
Iâ€™m not trying to get... in the new shit like that
Thatâ€™s the whole me
Iâ€™m just tryin to prove the point to yâ€™all
