For first off you know I'm the one if you heard me,
Richy you observe with the nouns in the ..with the burns
and let me sound like a f*cking nerd cause I still check
the B.

Yeah I changed all the words, but I f*ck em though
Checking though holy cross, kicking off the clouds to
the curb

But I always recycle, word the boy wonder I'm taking
the title

But more like a hurricane, ..

No, not the rapper, still been talking bout the box,
.. 'cause guy you're spinning round and ..

Looking for a doctor, now I'm talking producers,
I am talking stitches, sue .. whatever stowl but I'm sure

my worries go

All my haters burn slow, so turn the B up I'ma turn the
heat up,

.. I'ma burn eternal, want the shit forever baby, call me
flow,

Fire up the spots spitting fire off the top,

No born no ups, rest in peace MJ, no rest to piece LJ

We treated you, like a motherf*cking king,

But tell me where the motherf*cking .ring

Now matter of fact is .. form this T when I say going sea
shells

When we hit the beach,

Is gonna be world war 3

But don't be mad at me,

You could blame .. cause when he picked the world
I ain't good, he jumped the world ..

Hook:

Now I'm coming in, I'm coming in
I'm coming in, I'm coming in
And I'ma go hard, I'ma go hard
Yeah I'm coming in
But I'ma go hard, it ain't go hard
It ain't go hard, it ain't go hard,
It ain't go hard, but I'ma go hard
So let me in, I'm coming in,
I'ma go hard.

I'ma go harder, I'm f*cking your baby mama
Why you're keeping up in Prada and ass stay ..

in the game
so if the music writing in, don't come and I'll get in

go if you can, make that connection and you'll never
know,
matter of fact if you're asking who is that ..
the conception of the game and the guy in the sky will
send you lames in my direction

Hook:

Now I'm coming in, I'm coming in
I'm coming in, I'm coming in
And I'ma go hard, I'ma go hard
Yeah I'm coming in
But I'ma go hard, it ain't go hard
It ain't go hard, it ain't go hard,
It ain't go hard, but I'ma go hard
So let me in, I'm coming in,
I'ma go hard.

Shit, on this talk about sexin'
Almost forgot to mention, that I brought my protection
Will be swining on, will be swining on
This is my inception, yeah now DiCaprio
If you been.. welcome to your introduction,
No, this is an abduction
Oh, well, does that mean it's all coming up in LOL?

And been money it's your assumption
But if I fell you should know I'm getting in that
something
Even if I'm motive free, spin is on the will..
Shitting in my dipe, but that is my purpose,
I won't even need a big .. all I need is a f*cking pimp
jealous,
Filled up with water, pocket full of C ..when a light
Even if you go a little further .. in the .. motherf*ckers
That I'm still going harder.
