[Rapper Big Pooh] Uh, yeah, it's Rapper I need some more money nigga Some of them tens or them twenties or them fifties, y'know? [Chorus] C.O.D. Cash or delivery V.I.P. We see it all vividly R.A.P. You know you gon' remember me, uh You gon' remember me, uh, you gon' remember me, uh [Rapper Big Pooh] You gon' remember the name So let me tell y'all why the fuck I came Just tryna get paid, you can keep the fame Embarrass a couple niggas that's staking the claim they the best thing living, respect ain't giving Put your bifocals on, inspect my vision Inspect my kitchen, always make the grade Intimidated by the flow so they try and throw shame My song's being played, I don't care how you got it If I see you at a show you putting money in my pocket Blowing out sockets, me and Mickey Freezy Got niggas thinking that this shit is so easy No you don't see me, I'm not in the public Grew my hair out cause I knew them hoes would love it They love it! But I let 'em know "You can't touch it" Them tell 'em it's +Hammertime+ cause we both on a budget Right now! [Chorus: 2X] [Rapper Big Pooh] Cause I'ma do what I do You wanna talk politics? I can do that too Wanna speak about a clique? H.O.J.'s the crew And since I put +Sleepers+ out I been a bit brand new But you knew, you kinda see how it grew Make it back for round two is just a limited few Only know what's on the tube, you got a limited view I ain't mad, I understand how your judgement is skewed How you preach from a pew, how you teach from a desk When them chicks grow up it's called leaving the nest Watch 'em spread they wings, then fly away And hopefully I see my child do the same one day It's a shame I say in this game I play seems one too many people done lost they way Done lost they pay then lost they mind Once your mind start to go it's kind of hard to find [Chorus: 2X] [Big Dho] Yeeeah!
