[Rapper Big Pooh:]

Compared to whom, Pooh is the best this year
I been rockin muh'fuckers since freshman year
You can sit if you want, you can stand and cheer
You can bootleg the album, nigga I don't care!
Right now what we have is a world premier
New and exclusive shit, so sincere
Be prepared, I'm nice with this mic device
Other niggaz do joints and it don't suffice
My advice: quit while I'm way ahead
Meetin up with me twice is a day you dread
I'm sick, no antedote to prescript
You in the mix with a nigga who flip, go all out
And ain't no chance in the world that I'm a stall out
And 'til my God say enough and put the call out
To come now, take your sun away
Get your umbrellas out, rainy day

[Chorus: x2]

You say Pooh the weak link nigga - I don't care!
You can grit, you can stare nigga - I don't care!
You can pop a lot of shit, nigga - I don't care!
You could ask me to quit, nigga - I, don't, care!

It's the most magnifa-gift of a spitter
Lyrical weight lifter, in short I'm the best
I studied this rap shit, no need to mic test
Let me put some issues to rest
Got my label in the state of the rest
'Cause I know sum'hin that they don't
That this nigga right HERE, the key to success
Gettin track by Khyrsis, I can put a dollar amount
On many things, but my nigga here is priceless
Yes, I did write this, this is so righteous
This is not hype diss, this is breathe and breath
In the body of the lifeless - damn, it's so necessary!
A cold nigga, born in the month of February
And Rapper Pooh is gettin so scary
I done stepped the game up, your position here is so hairy
I'm a be the one to +Straighten it Out+
C.L. and Pete know what I'm talkin about, and it's like

that

[Chorus x2]

[DJ Flash cuts and scratches]

[Milk D:] "I DON'T CARE! "
