Yeah, huh I'm back again muh'fuckers  
Rapper, Rapper Big Pooh, yeah, uh, yo

I welcome all to the evolution, better yet  
This is the revolution, and it will be televised  
The round table where we strategize  
I got a plan in my hand, said I plan to land a perfect  
prize  
Lay my hand between the perfect thighs  
H.O.J. what it is, you don't really want it with us guys  
Check my stock cause the Dow say I'm on the rise  
I'm more determined than before, you can check the  
eyes  
Got 'em hating on me "Shawty", you ain't heard of  
"Plies"?  
Me and my niggas got a bond, this is family ties  
This is more than a recording, this is life reporting  
I'm through courting with you niggas, time to Ken  
Norton  
Knock 'em out, I really tried to block 'em out  
Tighten your belt, get prepared cause ahead's a  
drought  
Real niggas round the world gotta hear me out  
I'm tryna tell you something good, that's what I'm  
talking bout

Hold up, you know I'm still in the groove  
Thought I'd remind y'all, I cannot be moved  
A chip when I rhyme cause I still gotta prove  
To most muh'fuckers that I will not lose

They wanna know how I feel about my current state  
I tell 'em "Never been better yo, I'm feeling great"  
I took a step off the wagon, had a piece of steak  
Now niggas hopping off the wagon, good, it's less  
weight  
I can't wait for the day my album does hit shelves  
Niggas back in the lab, remixing themselves  
I'm hell on peers, and conquered all fears  
Never got gassed when I first heard 'em cheer  
Never got mashed so I'm still standing here

A vision more clear, Goodie Mob in my ear  
Dope as I appear, they still got questions  
Mind on my money, all that bullshit is second  
Top of the pecking order and I reckon  
For you to take a second, look what I've become  
A star in my own right, Rapper Pooh take flight  
Niggas still hating like I only just begun

Yeah, haha, I can't lose man  
Rapper, H.O.J.  
You know what it is nigga, uh
