[Rapper Big Pooh] I want it too baby.. I got a lotta wan' do right now I want it all too baby.. I wanna let 'em know.. Yea, it's plain to see, they can't change me I'ma be the same nigga 'til the day I rest Say I'm best, just a boast, I digress Get my Willie Beamen on, stick out my chest Relieve stress, 'cause nowadays I see plenty My head on a swivel 'cause I know it's many guys who wanna try, send me bye-bye 'cause me - speak truth, and them - they talk lies So walk on by when I'm in that zone If the hat get low, then you know it's on I ain't gotta grip chrome just to show you I'm strong A lotta niggas go wrong, tryin to live like songs I write my songs with, ink and wood I'm low on couple dollars, but it's still ain't good HOJ rock hard like L.E.G. and Boog You don't think we have a problem - but you should, I would [Chorus] (samples from The Main Ingredient's "With You") ("Oooh, I, I, and I swear it, and I want to") I write it all for the world to listen Me and 9th givin back what this world been missin - what this world been missin ("Oooh, I, I, and I swear it, and I want to") I want you to lean in listen close When I'm doin what I'm doin, I be doin the MOST I'm in the land of the hills, tryin to get that gwap I chose another line not to hit that block Makin, money legit, puttin some in stock And now I got a boovie hoes, they do flock I'm watchin 9th chop and I'm shoppin hits Big Dho cut checks, Poobie stick to the script It's not another out like me, you probably thought you found one, but NOPE, that's highly unlikely I write free of the box and chains that keep, niggas botched tryna cop that Range or some high-priced thangs like a Bahco Bent Before them niggas know, all they money is spent Then they right back at it, they get caught in this vicious cycle where the Joneses is a habit They gotta have it, I know it's fucked up to say but niggas became addicts Niggas became addicts... [Chorus]
