The paint is not yet dry  
The clothes are not yet on  
Only one place where I could  
Go to be understood  
Only one place  
Only one face  
Smartie mine  
Smartie mine  
Smartie mine  
Smartie mine  
I wanna go  
Deep down smartie mine  
Down a shaft of green  
Down a shaft of blue  
I have a paint brush  
I wanna spread my colors around  
Not to be careless, though  
Only one place to go  
Smartie mine  
Smartie mine  
Smartie mine  
Smartie mine  
Deep down under the ground  
There's a place where it's always sun  
Deep down under the Earth  
There's chocolate for everyone  
There's chocolate for everyone  
Down a shaft of red  
Down a shaft of red  
Not be too nervous though  
We've come too far  
Smartie mine  
Smartie mine  
Smartie mine  
Smartie mine  
Smartie mine  
Smartie mine  
Smartie mine  
Smartie mine  
Smartie mine  
Smartie mine  
I wanna go  
Deep down smartie mine  
Smartie mine
