We keep the 9's tuck, chuck up, rap about it, rap about it

And I'ma get it, then I can get it to your

We keep the 9'stuck, chuck, rap about it, rap about it

This a cold winter, y'all niggers better,

Better get your , rap spit the rap cold the white betty  
, the Natalie Cole, the Natalie knows

Cut with the gold machete

Wu Tang chef with the blue flame

Cooking a new nigger walking this earth on any turf  
that you name

, cold as frost,

Next , only aligned

Time to take over, the rape over is real dude

Feeling me like I'm , when I turned 18 I had no rhymes

But now I rhyme niggers who been rapping for 20

Junes,

that's real shit nigger

I'm ill cause the , study everything he did now figure

, rap diddy the new school

,better let your , clever mouth, Neptune and Neptune

Cold flow, planet you can see it in a ..spoon

, deep color like Maroon

They can't touch me keep my guard up, sunny moon

Baked out the room, cold world, cold world

Oh girl, , stick around , left too soon

That's how they feel when I'm in booth late at night

Rap another one,

Cause nuts really I've been,

Back around..prepared, gone

We keep the 9's tuck, chuck up, rap about it, rap about it

And I'ma get it, then I can get it to your

We keep the 9'stuck, chuck, rap about it, rap about it

This a cold winter, y'all niggers better,

Fresh of the intermission, right back in the kitchen

Feed the customers, this is hustler's ambition

Man listen this is raw,

If you ain't coming with that fresh prada, can't find me  
We are tied up, making more hits  
And for my city cause I never forget where I'm from  
Play dumb and get your crew tied up  
Yeah, north philly, north Carolina,  
Me and rhapsody go back like , hairline  
, mind stay fresh, clean like the sterilized  
, strength like the bow and arrow try to take it  
True story, I don't tell no lies,  
Rap or crack, , still hussle till the , rise

We keep the 9's tuck, chuck up, rap about it, rap about  
it  
And I'ma get it, then I can get it to your  
We keep the 9'stuck, chuck, rap about it, rap about it  
This a cold winter, y'all niggers better,
