Uh, uh, yeah!  
All black everything  
All black, you know  
All black heroes  
All black everything  
All black polos  
All black medallions, yeah  
All black, you don't say  
All black everything, all black polos  
All black medallions,  
All black, yo!

All black everything, polo and stuff  
Symbolize we're not defeated by the system and cops  
... black leather I wear  
Oh, in my skin I'm all black just like a pair of,  
Family wore black jewels, resemble my hair  
They... pardon 'em all, they got no reason to care  
All... all black, cause at the top is Barack  
At the stack of all black jeans, cause I'm never gonna  
slack.  
Black boy short form my ass like teachers stay on short  
Black boys and class, so they, lead the masses  
Black sun glass, cause my future bright...  
Black bird write my rhymes, and every night is scary  
Bland scarves represents scars and,  
... black and not be a fan of Michael Jackson  
... collar's all black, just like my... black be on my mind

Chorus:  
All black, you know  
All black in the name of all my black heroes  
All black everything  
All black polos  
All black medallions,  
All black you don't say!  
All black everything  
All black, you know!

All black belts for all the,  
When the struggle black medallion meddling,

Cross is burning in our yard, black bangles for the,  
I told 'e this, black,. In the back just like a prophet I  
would...

Go support your words for,  
Black lashes, all black, they used to make all the,  
... for all the brothers and the mothers,  
Black pics we're staying at the head of this  
And black, my book bag, we, cause rhapsody is got  
your back  
Black, I'm the light that let your, right  
Watch for all the times that watch MTVs raps  
Black like some... when I recall some,  
Every black like... who never had a,  
All black everything, everything black  
Caught you over everything, we're taking you back!

Chorus:

All black, you know  
All black in the name of all my black heroes  
All black everything  
All black polos  
All black medallions,  
All black you don't say!  
All black everything  
All black, you know!
