Need a big black 4 dog body to push  
Night time running through the streets ...your bush  
Kardashian through life the color of kush  
Running to my ... he could fall on my ...  
Jedi flow better than the veterans know  
Or average ... like weed they never grow  
Weak for weak tides need ... coco  
Compose rhymes with the signs of a ...hoe  
Step through it a new jet yeah I step in slow  
West night's hard take over, double my flow  
A diamond girl ... I shine brighter  
Every magazine from double xl ... writer  
Light a ...sparks, something similar to read  
Rob in every bit of attention that's been given to me  
Thank now if you please, Mayweather touch me never  
Forever rap shit  
Ya should treasure and see, miss already p  
Flow a ... no half rapper, fuck these niggers that acting  
Ain't hanging with me, another plane I'm on ...  
The baddest in the ...where I belong, jedi

Black girl Jedi, feel the force no pressure ...  
Keep it hot, we beat girls forever  
Hip hop on top won't stop forever  
Black girl Jedi, feel the force no pressure ...  
Keep it hot, we beat girls forever  
Hip hop on top won't stop forever

...skywalker and I'm back in the flesh  
Just when you thought it was safe to address  
Your dream I came to demolish the scene  
The room intervene I got the ...  
...trust, niggers ain't touching the smart  
I part from ... life sees the most involved  
In the red zone, one play away from my calls  
Nicole, ... from the records that so shit  
I'm far from that, maybe only 15 and hold  
And hoe they can't stomach me John and O  
... and feelings like real, 12 play ok I make them rotate  
... they better know that I am  
Black girl Jedi back with the force and the jam

Black girl Jedi, feel the force no pressure ...  
Keep it hot, we beat girls forever  
Hip hop on top won't stop forever  
Black girl Jedi, feel the force no pressure ...  
Keep it hot, we beat girls forever  
Hip hop on top won't stop forever.
