One time for all my ruff next next
Two time for all my ruff next next
One time for all my ruff next next
Two time for all my ruff next next
One time for all my ruff next next
Two times

One of my ..sexy back take off them skinny jeans
And all them small teeth pull em back upon the scenes
switch advance and pull the ..new ..
but it's way till it's .. jeans like your man in the power
real women don't let ..not of that
but it's soft look don't you will nigga hola
.. bring out maturity and you ..
Got us women open when you holding there you own
dollars
Your own .. and a lot of knowledge
Brigs over the passion of a ..ain't got to go to college
Baby see boys took the jeans in ..
Should they rockin nowadays is bringin ..
Ain't like them real nigga and cool niggas
Used to rock ..like the back in the day heal nigga
No .. that shit is all ack
Can we get an alternative real nigga is back
Streets small but the smarter nigga you know how to ..
In the hard shit and I'm looking depressed
Who still not ...what they ..
And still spread that sexy .. on the .. chest

One time for all my ruff nex
Two times for niggas who know how to dress
Keep their head cut too .. with the edge up
And niggas who still too nigga to recommend pass

One time for all my ruff next next
Two time for all my ruff next next
One time for all my ruff next next
Two time for all my ruff next next
I like them real niggas
And go .. used to rock .. back in the day ..
One time for all my ruff next next

Two time for all my ruff next next
I like them real niggas
