feat. Warren G and Sissel

Warren G

Top Dogg, patrolling the beach

Niggaz say they're hard as bricks but they're as soft as
a peach

Claiming the G of all G's

Please, I come blowing thru like the breeze

Sittin on the prince

Postage coasting mashing down Pacific coast

and the bomb four wheels black on black yukon

With nuts hangin from the city where the bangers keep
bangin

It don't seem like s... is changin

I hollered at the homie the other day

G'd up at the park sippin elysee

One of the homies took a beatin

So now it's be in a gang checkin at the meetin

Like psychos repeatin

It's just another sunset fallin to sea

I can hear the homies the past calling me

And you know what I discover ? What they keep saying:

Keep your mind on the money, to shake bustas

Chorus: (in russian)

Uletan na kroljah vetra

Tov kraj rodnoj rodnaja pesnja nasha

Tuda gde mne tebja svobodno peli

Teper otvok nev olno

Nad sobojo

Have you ever sold millions?

But yet you niggaz persist and talk s...

Get off my

You'll never catch me slippin

Rollin with the heats

Slap da clippin

I never thought the world'd start trippin

My life's a trypto

Hit the crypto

Blow the whist'lo

They think I've banged

So I'll pack a pistol

Warren to the G is a G

I don't

Would you leave us alone

With me let's ride

To the East side

Slide like a pope

I packs a fo-fo

When I'm steppin out dough
To the bang to the booty
If I speak then I spoke
Warren G you do it every time till you lope
Get the party yeah
Like blazing smoke
The East side of the beach
West side the coast
You know the niggaz that I rock with hoes
Attack dogs that say niggaz are down to die
Chorus
Who's the man ?
I've been from London to Japan
Stomp land to land
To the Egyptian sands
You can't check me, disrespect me
And mock me up
With the base bumpin out my truck
And all this police trying to lock me up
Money rules the world and I've made them lose
So don't make me shoot
Cuz tryin to match you
Get's you done every time
I aint tryin to hurt nobody
But I'm down for mine
Beatch

Money over power

Power over money

Money over power

Beatch, beatch

Chorus

Money over power

Power over money

Money over power...

Repeat till fade
