Never in my dreams i thought i'd be with you
you're often on my mind, ill always love you
when i close my eyes just to see your face, i wish this
were real
but im just dreaming
I cant believe that this is all in a dream
i'll give my life to be with you my love
i'll always love you (want you more)
i cant go on without your love

you will find my heart

you will find my heart
in a dream my love
you will find my heart (2x)
