Its a mind set,
A never going out of style,
From the concrete jungle,
Even down a country mile.

Hey,
Its a boy and a girl,
Livin with the hand theyve been givin,
Its a day in the life,
Its the music in the rhyme of American Living.

American Living.

Theres a boy and a girl sitting out on a swinging porch,
Singing a song that only two hearts love sang.
Baby, Someday, There about 80, Still in love,
Would it be that crazy?

Its a mind set,
A never going out of style,
From the concrete jungle,
Even down a country mile.

Hey,
Its a boy and a girl,
Livin with the hand theyve been givin,
Its a day in the life,
Its the music in the rhyme of American Living.

Theres a mom and a dad,
And their planting all their seeds,
Everyday working on their dreams,
Just trying to give the best to their kids,
To have a life they never did.

Its a mind set,
A never going out of style,
From the concrete jungle,
Even down a country mile.

Hey,
Its a boy and a girl,

Livin with the hand theyve been givin,
Its a day in the life,
Its the music in the rhyme of American Living.

Yeah, Yeah

Yeah,
Its a mind set,
A never going out of style,
From the concrete jungle,
Even down a country mile.

Hey,
Its a boy and a girl,
Livin with the hand theyve been givin,
Its a day in the life,
Its the music in the rhyme of American Living.
