Girl, you're getting that look in your eyes
and it's starting to worry me
See, I ain't ready for no family ties
no woman's gonna hurry me

Just keep it friendly girl
'cause I don't wanna leave
If you start clinging to me
you know that I can't breathe

Baby, Baby, don't get hooked on me
Baby, Baby, don't get hooked on me
'Cause I'll just use you and I'll set you free
Baby, baby, don't get hooked on me

You've been my hot lovin' woman
And it's hot where you've been touching me
And I can tell by your trembling lips

You've been seeing just a little too much of me

Now don't let your life get all tangled up in mine,
'Cause I'll just use you, I can't take no clinging vine

Baby, Baby, don't get hooked on me
Baby, Baby, don't get hooked on me
'Cause I'll just use you and I'll set you free
Baby, Baby, don't get hooked on me

Baby, Baby, don't get hooked on me
no, no, no, Baby, Baby, don't get hooked on me, no
'Cause I'll just use you and I'll set you free, set you free
Baby, baby don't get hooked on me
