When I lose my smile  
When my thoughts get jumbled  
When the air and BS get to thick  
Can't take a breath without getting sick  
I've had enough with this concrete jungle  
I drop my truck in drive  
I pick up my baby  
She jumps in with a kiss and a hey  
We exit off that old hallway  
Sometimes you gotta go beyond the pavement  
[Chorus]  
You gotta go deep  
Way on back  
Cross a few creeks  
And a couple little shacks  
You gotta get lost  
Way on out  
Crickets and frogs  
Yeah you're gettin' close now  
And you kick it into four wheel drive when you run out of road  
And you go, and you go and you go-go-go  
'Til you hear a banjo  
[Verse 2]  
It ain't on no map  
And I'm glad it isn't  
Leave the phone and the GPS,  
Those satellites ain't found it yet,  
Got our own little piece of heaven hidden  
[Chorus]  
Yeah, you gotta go deep  
Way on back  
Cross a few creeks  
  
And a couple little shacks  
You gotta get lost  
  
Way on out  
Crickets and frogs  
Yeah you're gettin' close now  
And you kick it into four wheel drive when you run out of road  
And you go, and you go, and you go-go-go  
'Til you hear a banjo  
[Banjo break]  
[Chorus]  
You gotta go deep

Way on back  
Cross a few creeks  
And a couple little shacks  
You gotta get lost  
Way on out  
Crickets and frogs  
Yeah you're gettin' close now  
And you kick it into four wheel drive when you run out of road  
And you go  
And you go  
And you go  
And you go-go-go  
  
Ooooh hoo  
  
'Til you hear banjo  
  
You gotta go deep  
Way on back  
Oh oh oh  
Cross a few creeks  
And a couple little shacks  
Oh oh oh  
Four wheel drive when you run out of road  
Oh oh oh  
And you go, and you go, and you go  
'Til you hear that, 'Til you hear that  
'Til you hear that banjo.
