I came up, out of the water
Raised my hands, up to the father
Gave it all to him that day
Felt a new wind kiss my face
Walked away, eyes wide open
Could finally see where I was going
It didn't matter where I'd been,
I'm not the same man I was then

(Chorus:)

I got off track, I made mistakes
Back slid my way into that place, where souls get lost,
lines get crossed and the pain won't go away
I hit my knees, now here I stand
There I was, now here I am..

Here I am. Changed.

I got a lot of "hey I'm sorry"s,
the things I've done, Man that was not me
I wish that I could take it all back, I just wanna tell 'em that.. tell 'em that

Chorus

I've changed for the better. More smiles, less bitter..
I'm even starting to forgive myself

I hit my knees, now here I stand
There I was, now here I am, here I am, here I am
I'm changed. Yes I am.. I've changed for the better

Thank God, I changed.
