I could usually drink you right off of my mind, but I miss you tonight
I can normally push you right out of my heart, but I'm too tired to fight
Yeah, the whole thing begins and I let you sink into my veins and I feel the pain
Like it's new

Everything that we were everything that you said everything that I did
And I couldn't do plays through
Tonight

Tonight your memory burns like a fire
With every one it grows higher and higher
I can't get over it I just can't put out this love
I just sit in these flames

Pray that you come back, close my eyes tightly
Hold on and hope that I'm dreaming
Come wake me up

Turn the TV up loud just to drown out your voice, but I can't forget
Now I'm all out of ideas and baby I'm down to my last cigarette
Yeah you're probably asleep deep inside of your dreams while I'm sitting here
Crying and trying to see

Yeah where ever you are baby now I am sure you moved on
And aren't thinking twice about me and you
Tonight

Tonight your memory burns like a fire
With every one it grows higher and higher
I can't get over it I just can't put out this love
I just sit in these flames

Pray that you come back, close my eyes tightly
Hold on and hope that I'm dreaming
I know that your moving on

I know that I should give you up but I keep hoping that you'll trip and fall back in
love

Times not healing anything
Baby this pain is worse than it ever was
I know that you can't hear me but baby
I need you to save me
Tonight

Tonight your memory burns like a fire
With every one it grows higher and higher
I can't get over it I just can't put out this love
I just sit in these flames

Pray that you come back, close my eyes tightly
Hold on and hope that I'm dreaming
Come wake me up
I'm dreaming

Come wake me up
Oh I'm dreaming
