Staring at you taking off your makeup  
Wondering why you even put it on  
I know you think you do, but baby you don't need it  
Wish that you could see what I see when it's gone

I see a dust trail following an old red Nova  
Baby blue eyes, your head on my shoulder  
Wait, baby don't move, right there it is  
A T-shirt hanging off a dogwood branch  
That river was cold but we gave love a chance, yeah to  
me  
You don't look a day over fast cars and freedom  
That sunset, riverbank, first time feeling

Yeah, smile and shake your head as if you don't  
believe me  
I'll just sit right here and let you take me back  
I'm on that gravel road, look at me  
On my way to pick you up, you're standing on the front  
porch  
Looking just like that, remember that

I see a dust trail following an old red Nova  
Baby blue eyes, your head on my shoulder

Wait, baby don't move, right there it is  
A T-shirt hanging off a dogwood branch  
That river was cold but we gave love a chance, yeah to  
me  
You don't look a day over fast cars and freedom  
That sunset, riverbank, first time feeling, yeah

I see a dust trail following an old red Nova  
Baby blue eyes, your head on my shoulder  
You don't look a day over fast cars and freedom  
That sunset, riverbank, first time feeling, yeah, no no  
no  
You don't look a day over fast cars and freedom  
That sunset and that riverbank, oh and that first time  
feeling  
You don't look a day over fast cars and freedom  
That sunset, riverbank, first time feeling
