Red light, late again,
That joker cut me off at Windmill at end.
Cell phone out of range,
Can you hear me now, I'm going the same.
Well who's that honkin at me?
Yeah, that's the last thing I need.
Yeah it's alright.
It's just another thing called life.
Any way it goes I'm coming home to you tonight.
Don't sweat the small stuff,
Life is hard enough,
I thank the Lord above,
We've got a great big love.
Great big love.
Check it out,
Got breaking news,
All that matters is that I got you.
The little things, we think they're somethin,
But when you wad'em up they add up to nothin.
Well come on road, is that all you got?
That aint a lot if that's your best shot.
Hey, it's alright.

It's just another thing called life.

Any way it goes I'm coming home to you tonight.
Don't sweat the small stuff,
Life is hard enough,
I thank the Lord above,
We've got a great big love.
It's alright, it's just another thing called life.
Yeah, it's alright,
It's just another thing called life.
But any way it goes I'm coming home to you tonight.
Don't sweat the small stuff,
Life is hard enough,
I thank the Lord above,
We've got a great big,
Don't get so uptight,
You've gotta let it slide.
Well life is hard enough.
We've got a great big love, yeah.
Life is hard enough.
Don't sweat the small stuff,
Oh, life is hard enough.

I thank the Lord above.
We've a great big love.
