She jumped in my truck in her bare feet
Slit on over to the middle seat
Baby crack a window,
Crank that ac high as it can go

Sign everything says it's 71
But it feels like we're seating on the sun
That little cotton dress ain't helping none
'Bout to run me off the road

And i, i can barely breathe
Then she puts her hand, over on my knee
And i don't know what to do
Doin' everything, tryin' to keep my cool
But it's hot, hot, hot in here
Ooh, so hot, hot, hot in here
Yeah, i can't take her anywhere
Ä°t's so hot, hot, hot in here.

So i took a turn heading for the creak
Some tanned skin was a sight to see
Soon as she got in i could see the steam
Rising up off the water

And i, i can barely breathe
When she wraps her arms around me
And i don't know what to do
Doin' everything, tryin' to keep my cool

But it's hot, hot, hot in here
Ooh, so hot, hot, hot in here
Yeah, i can't take her anywhere
Ä°t's so hot, hot, hot in here.

When we dried off by the fence, it was getting dark
We threw a picnicker on the ground, underneath the stars
Shoulda' been a little cooler in the moon light
When she laid her lips on mine
Oh she laid her lips on mine
Oh yeah

And i, i can barely breathe
Anytime when she's close to me
And i don't know what to do
Doin' everything, tryin' to keep my cool

But it's hot, hot, hot in here
Ooh, so hot, hot, hot in here
Yeah, i can't take her anywhere
Ä°t's so hot, hot, hot in here.
Can't take her anywhere
Ä°t's so hot, hot, hot in here.
Ä° can't take her anywhere

So hot in here
Anytime she's close to me
Yeah it's so hot, hot, hot in here
