It's like a storm
That cuts a path
It's breaks your will
It feels like that

You think your lost
But your not lost on your own
Your not alone
I will stand by you
I will help you through
When you've done all you can do
If you can't cope
I will dry your eyes
I will fight your fight
I will hold you tight
And I wont let go

It hurts my heart
To see you cry
I know it's dark
This part of life
Oh it finds us all
And we're too small
To stop the rain
Oh but when it rains

I will stand by you
I will help you through
When you've done all you can do

And you can't cope
I will dry your eyes
I will fight your fight
I will hold you tight

And I won't let you fall
Don't be afraid to fall
I'm right here to catch you
I wont let you down
It wont get you down
Your gonna make it
Yea I know you can make it

Cause I will stand by you
I will help you through
When you've done all you can do
And you can't cope
And I will dry your eyes
I will fight your fight
I will hold you tight
And I won't let go
Oh I'm gonna hold you
And I won't let go
Wont let you go
No I won't
