There's a lot of ways of saying what I want to say to you
There's songs and poems and promises and dreams
that might come

true

But I won't talk of starry skies or moonlight on the
ground

I'll come right out and tell you I'd just love to lay you
down

Lay you down and softly whisper pretty love words in
your ear

Lay you down and tell you all the things a woman loves
to hear

I'll let you know how much it means just having you
around

Oh darlin' how I'd love to lay you down

There's so many ways your sweet love made this house
into a

home

You've got a way of doing little things that turn me on

Like standing in the kitchen in your faded cotton gown

With your hair still up in curlers I still love to lay you
down

Lay you down and softly whisper pretty love words in
your ear

Lay you down and tell you all the things a woman loves
to hear

I'll let you know how much it means just having you
around

Oh darlin' how I'd love to lay you down

When a whole lot of Decembers are showin' in your
face

Your auburn hair has faded and silver takes it's place

You'll be just as lovely and I'll still be around

And if I can I know that I'd still love to lay you down

Lay you down and softly whisper pretty love words in
your ear

Lay you down and tell you all the things a woman loves
to hear
I'll let you know how much it means just having you
around
Oh darlin' how I'd love to lay you down

Lay you down and softly whisper pretty love words in
your ear
Lay you down and tell you all the things a woman loves
to hear
I'll let you know how much it means just having you
around
Oh darlin' how I'd love to lay you down

Lay you down and softly whisper pretty love words in
your ear
Lay you down and tell you all the things a woman loves
to hear
I'll let you know how much it means just having you
around
Oh darlin' how I'd love to lay you down
