Whooo umm yeah...

Life's like a road that you travel on
When there's one day here and the next day gone
Sometimes you bend, sometimes you stand
Sometimes you turn your back to the wind
There's a world outside ev'ry darkened door
Where blues won't haunt you anymore
Where brave are free and lovers soar
Come ride with me to the distant shore
We won't hesitate
To break down the garden gate
There's not much time left today

[Chorus:]

Life is a highway
I wanna ride it all night long
If you're going my way
I wanna drive it all night long

Through all these cities and all these towns
It's in my blood and it's all around
I love you now like I loved you then
This is the road and these are the hands
From Mozambique to those Memphis nights
The Khyber Pass to Vancouver's lights

Knock me down get back up again
You're in my blood
I'm not a lonely man
There's no load I can't hold
Road so rough this I know
I'll be there when the light comes in
Just tell 'em we're survivors

[Chorus]

Gimme gimme gimme gimme yeah

[Chorus]

There was a distance between you and I (between you

and I)
A misunderstanding once
But now we look it in the eye

Ooooo...Yeah!

There ain't no load that I can't hold
Road so rough this I know
I'll be there when the light comes in
Just tell 'em we're survivors

[Chorus: (x3)]
Life is a highway
I wanna ride it all night long
If you're going my way
I wanna drive it all night long

Gimme gimme gimme gimme yeah
