Life's like a road that you travel on
When there's one day here and the next day gone
Sometimes you bend, sometimes you stand
Sometimes you turn your back to the wind
There's a world outside every darkened door
Where blues won't haunt you anymore
Where the brave are free and lovers soar
Come ride with me to the distant shore
We won't hesitate to break down the garden gate
There's not much time left today
Life is a highway
I want to ride it all night long
If you're going my way
Well, I want to drive it all night long
Through all these cities and all these towns
It's in my blood and it's all around
I love you now like I loved you then
This is the road and these are the hands
From Mozambique to those Memphis nights
The Khyber Pass to Vancouver's lights
Knock me down and back up again
You're in my blood, I'm not a lonely man
There's no load I can't hold
A road so rough, this I know
I'll be there when the light comes in
Tell 'em we're survivors
Life is a highway
Well, I want to ride it all night long
If you're going my way
I want to drive it all night long
Gimme, gimme, gimme, gimme, gimme, yeah
Life is a highway
Well, I want to ride it all night long, yeah
If you're going my way
I want to drive it all night long
There was a distance
Between you and I
A misunderstanding once
But now we look it in the eye, ooh yeah
There ain't no load that I can't hold
A road so rough this I know
I'll be there when the light comes in

Tell 'em we're survivors
Life is a highway
Well, I want to ride it all night long
If you're going my way
Well, I want to drive it all night long
Gimme, gimme, gimme, gimme, gimme, yeah
Life is a highway
I want to ride it all night long
If you're going my way
I want to drive it all night long
Come on, gimme, gimme, gimme, gimme, gimme,
gimme, yeah
Life is a highway
I want to ride it all night long
(Yeah, I want to drive it all night long)
If you're going my way
I want to drive it all night long
All night long
