I hope the days come easy and the moments pass slow  
And each road leads you where you want to go  
And if you're faced with the choice and you have to  
choose  
I hope you choose the one that means the most to you

And if one door opens to another door closed  
I hope you keep on walkin' 'til you find the window  
If it's cold outside, show the world the warmth of your  
smile  
But more than anything, more than anything

My wish for you  
Is that this life becomes all that you want it to  
Your dreams stay big, your worries stay small  
You never need to carry more than you can hold

And while you're out there gettin' where you're gettin'  
to  
I hope you know somebody loves you  
And wants the same things too  
Yeah, this is my wish

I hope you never look back but you never forget  
All the ones who love you and the place you left  
I hope you always forgive and you never regret  
And you help somebody every chance you get  
Oh, you'd find God's grace in every mistake  
And always give more than you take  
But more than anything, yeah more than anything

My wish for you  
Is that this life becomes all that you want it to  
Your dreams stay big, your worries stay small  
You never need to carry more than you can hold

And while you're out there gettin' where you're gettin'  
to  
I hope you know somebody loves you  
And wants the same things too  
Yeah, this is my wish, yeah yeah

My wish for you  
Is that this life becomes all that you want it to  
Your dreams stay big, your worries stay small  
You never need to carry more than you can hold

And while you're out there gettin' where you're gettin'  
to  
I hope you know somebody loves you  
And wants the same things too  
Yeah, this is my wish  
(My wish for you)

This is my wish  
(My wish for you)  
I hope you know somebody loves you  
(My wish for you)  
May all your dreams stay big  
(My wish for you)
