From the moment that we met  
My world was turned around  
Upside down  
To some degree I still regret  
My memory for keeping you around  
Girl I thought that you were mine  
But my broken hearts been shattered  
One too many times  
And I don't want to see you anymore  
I'm just not that strong  
I love it when you're here,  
But I'm better when you're gone  
I'm certain that I've given and oh how you can take  
There's no use in you looking  
There's nothing left for you to break  
Baby please release me  
Let my heart rest in pieces, in pieces...  
Someone let you down again  
So you turn to me  
Your convenient friend  
Oh but I know what you're doing  
And what you hope to find  
I've seen it a thousand times  
Oh the fire we had before  
Are now just bitter ashes  
Left scattered on the floor  
And I don't want to see you anymore  
I'm just not that strong  
I love it when you're here,  
But I'm better when you're gone  
I'm certain that I've given and oh how you can take  
There's no use in you looking  
There's nothing left for you to break  
Baby please release me  
Let my heart rest in pieces  
Yea yea  
And I don't want to see you anymore  
I'm just not that strong  
I love it when you're here baby,  
But I'm better when you're gone  
I'm certain that I've given and oh how you can take  
There's no use in you looking

There's nothing left for you to break  
Baby please release me  
We both know that you don't need me  
Let my heart rest in pieces, in pieces  
Let it rain.
