

## Rascal Flatts "Play"

Visit "[Play](#)" on [MotoLyrics.com](http://MotoLyrics.com)

You're a single mom with three kids  
And just as many jobs  
Your candle burns at both ends  
But you can't make it stop  
You're a farmer on a John Deere  
Honest work for little pay  
Throw that thing in park  
It's time to play...

{Chorus}

Like it's midnight in Vegas  
Mardi Gras in New Orleans  
New Year's Eve in New York City  
You know what I mean  
It's like lovers in Paris  
Sunset Strip in L.A.  
Doesn't matter where you are  
Well, it's alright,  
It's alright to play

Oh, yes it is

Where there ain't no drugs or doctors  
Who can get you what you need  
I've got the got the magic potion  
And it doesn't cost a thing  
Yeah, you've seen some hard times  
Life just works out that way  
But when you're smack dab in the middle  
You gotta play...

{Chorus}

Like it's midnight in Vegas  
Mardi Gras in New Orleans  
New Year's Eve in New York City  
You know what I mean  
It's like lovers in Paris  
Sunset Strip in L.A.  
Doesn't matter where you are  
Well, it's alright,  
It's alright to play

Hey, Hey

Like a kiss in the moonlight  
Barefoot walks on the beach  
Like sipping champagne straight from a bottle  
You know what I mean...

{Chorus}

Like it's midnight in Vegas  
Mardi Gras in New Orleans  
New Year's Eve in New York City  
You know what I mean  
Like lovers in Paris  
Sunset Strip in L.A.  
Doesn't matter where you are  
Well, it's alright,  
It's alright to play

(It's alright to play, it's alright, it's alright, it's alright to play)

C'mon, C'mon, C'mon,  
(Yeah, it's alright, it's alright)

(It's alright to play, it's alright, it's alright, it's alright to play)

It's alright to play

(It's alright to play, it's alright, it's alright, it's alright to play)  
(Yeah, it's alright, it's alright)

Well, it's alright to play (it's alright, it's alright)

Yeah, it's alright to play  
Yeah, it's alright to play  
(Yeah, it's alright, it's alright)

Well, it's alright, it's alright  
Well, it's alright, it's alright  
It's alright, yeah
