Oh Oh Oh Oh oohhh
I saw a red camaro today
It turned my head around it made me think
About back when my life was a game
And we played it all night long just like
Our favorite song. Summers just around the bend
Summers just around the bend.

Turn up the music loud
Take the T top down
And let the chrome shine
Cruise along the river side
Feel the wind blow
Through your hair through your toes
Got your bare feet hanging out the window
Oh oh oh oh oh oh oh

I saw a red camaro today
And I did a double take
I thought I saw her face
We were so reckless and young
And it all comes back to me
In storm wash memories
Summers just around the bend
Summers just around the bend
Turn up the music loud
Take the T top down
And let the chrome shine
Cruise along the river side
Feel the wind blow
Through your hair through your toes
Got your bare feet hanging out the window
Oh oh oh oh oh oh oh

Looking back looking back
Sweet wine and sunshine
Looking back looking back
Man those were some good timmmmes
Oh oh oh oh
Everybody sing
Oh oh oh
1234

Turn up the music loud
Take the T top down
And let the chrome shine
Cruise along the river side
Feel the wind blow
Through your hair through your toes
Got your bare feet hanging out the window
Oh oh oh oh oh oh oh

Turn up the music louuuuuuuuud
Turn up the music louddddd dddd
